[Greyge | To Furnish Pleasure](#)

Greyge [greij] is the new design brand from Rome inspired by passion for visual lightness. For Greyge design lives in the details: every line and angle has a tangible relevance. Each piece is a unique expression of our philosophy, but when placed together they play off each other in the direction of lines, tones and textures unfolding a seductive composition with an irresistible perspective. All original designs are manufactured by hand in Italy.

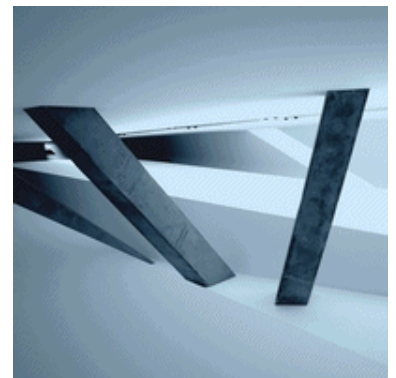

Calla, ceiling lamp

Calla is inspired by the soul of the lilly plant and the elegance of steel.

Lacquered steel. Powder coated.

Finishes: greyge white, pastel mauve, dark greyge.

Measurements (cm): 180L x 85H. Different heights available upon request.
